

“I just want to send a quick note to you both to tell you how happy we are. Kyle and the rest of the crew did an AMAZING job at Joshua’s Bar Mitzvah on Saturday. We all had a great time, and our guests raved about how amazing Bounce was. You were organized, accommodating, and energetic. The kids had a great time, and we have you to thank for that. You made the party. Josh said - as he was totally exhausted and about to fall asleep at 2:00am - “It was everything I dreamed it would be.” I think that says it all. We can’t thank you enough!”
