

“ Thank you so much for such fantastic entertainment on Saturday night at Elysha’s Bat Mitzvah. Everything was terrific - the lighting made the room look great, the stage was so much fun, and the screen was the perfect backdrop. Kyle was outstanding - he was so enthusiastic, friendly and engaging with everyone, and really had people up and dancing all night. He is a fabulous representation of your company! The music was terrific, I absolutely loved the surprise break dancer and all of the dancers (so many - thank you!!!) were fantastic and so full of energy. I loved how the adults had their own group of dancers away from the stage - it kept my friends and family on the dance floor, without mortifying my kids! Everyone seemed to be having a fantastic time - there were lots of sweaty adults, which is always a good sign! ”
